

## **Senior management changes at TFL**

Leather chemicals group TFL's co-chief executive and chief finance officer **Eugen Katzenstein** has left the company. He worked as TFL's chief finance officer for 13 years.

**Richard Fenton** has taken over the role of chief finance officer and has joined the board. Originally from the UK, Mr Fenton has worked for large international manufacturing groups, including seven years in the chemicals business.

TFL has appointed **Henrik Pedersen** as chief sales and marketing officer. He too will join the TFL executive board.

**Dr Peter Amann**, who previously shared the role of chief executive with Eugen
