

Product Information

Wet-End

Edition 2018

SELLA® Tec DEO – Detergent auxiliary with odour absorbing effect

Features & benefits:

SELLA® Tec DEO is an auxiliary which is able to improve the odour of wet white or wet blue leathers, by removing bad smelling components in the washing step. The odour absorbing property of **SELLA® Tec DEO** is particularly noticeable when the smell of the leather is very strong.

It should be noted however; that **SELLA® Tec DEO** is not a perfume and will therefore not change the smell of leather which already has a pleasant smell, or which is odourless.

SELLA® Tec DEO is a detergent based liquid, which is fully soluble in water.

Handling & storage:

Wear goggles and gloves during handling.

Can be stored for about 1 year in a dry and cool place (max 30°C).

Application:

SELLA® Tec DEO is able to remove unwanted odours from either wet white or wet blue based articles.

SELLA® Tec DEO can be used in all washing steps in the wet-end. However, the odour absorbing effect of the product is particularly noticeable when 5% is used in the final washing step.

Trade form at 20°C:

liquid

Aspect at 20°C:

transparent to opalescent

pH – value (tel quel):

approx. 6
